

# New Archer Evaluation

This form is used to evaluate any new archers for participation in the various classes or programs offered by WMAC. This evaluation will be administered at the end of the Introduction to Archery classes, or for new archers who are looking to participate in the JOAD or Adult Archery programs. The safety considerations listed below will be considered in the event of a new archer. Archers who are not able to adhere to safety considerations will not be allowed to shoot in an open shooting or other practice or league event.
